## Entire Contract and Commencement

These Conditions and the Order shall form the entire Contract save as may be specifically varied in writing.

The Contract shall arise upon acceptance of the Order by the Supplier who shall be obliged to confirm acceptance of the Order within 10 days of the date of the Order or the Company shall be entitled to cancel the order.

These Conditions shall prevail over and take precedence over any other terms and conditions of the Supplier and any other representations made by any other party prior to the Order. These Conditions apply to the purchase of Goods under an Order and every offer, quotation

acceptance and contract for the sale or supply of such Goods and form the basis of the Contract.

The Company shall not be liable for any work done or Goods supplied without an Order.

## Specification, Quality of Goods and Packing

The Goods shall comply in all respects with the Specification or any agreed modifications thereof and when the Specification is silent on the type and quality the Goods shall be of good and merchantable quality and fit for their purpose.

If any samples, patterns or materials (Samples) or other Goods are supplied by the Company for use in connection with the Order, the Supplier shall be responsible for their safe custody and return and for any loss or damage to them however caused whilst in the Supplier’s possession. Samples shall be returned to the Company on or before the date when the Goods are delivered to the Company.

The Goods shall be properly packed, and despatched to such place as may be specified in the Order. If the Company so requests the packing cases and packing materials will be clearly marked with such particulars as the Company may reasonably require.

The Supplier shall be responsible for any damage, loss or expense incurred by the Company which arises out of improper packing or incorrect delivery of the Goods.

No charge shall be made by the Supplier for any packaging or carriage unless specifically agreed with the Company.

## Delivery

The Supplier shall deliver the Goods carriage paid in accordance with the Delivery Date at the delivery address shown on the Order clearly marked with the name and address of the Company and with the Order number.

Delivery shall be deemed to have been made when the Goods are received in good and proper condition by the Company or its agent at the place specified in the Order or such other place as may be agreed by the Company.

Time shall be of the essence in respect of the Order. In the event that the Company chooses not to terminate the Contract for late delivery, the Supplier shall pay to the Company liquidated damages limited to the Contract Price for each week or part of a week that a

part thereof are delayed in delivery to the Company provided that the Company shall have suffered loss thereby and whether or not eventual delivery is made by the Supplier or a third party. Such payment shall be in full satisfaction of the Supplier’s liability for delay and shall be

the sum of the Contract Price. The Company’s general right to termination for delay at any time after the Delivery Date shall remain unaffected by the Company’s rights under this provision and the giving of time or other concession granted to the Supplier shall not affect the Com

mit of termination nor shall any waiver in respect of a delay operate as a waiver of any subsequent delay.

## Rejection

The Company may by notice in writing either at the time of delivery (if the Goods are inspected on delivery) or within 21 days of the Goods first being put to use following any period of storage reject the Goods or any part thereof which in the reasonable opinion of the Co

its agents are of inferior or defective quality or are not in accordance with the Specification. The Company shall be entitled to reject the entirety of the Goods delivered under an Order whether or not the same includes Goods which are not of inferior quality or defective.

Following rejection of any Goods by the Company:

the Company may either return any rejected Goods at the Supplier’s expense or risk or require the Supplier to collect those Goods; and(b)the rejected Goods shall remain at the sole risk of the Supplier and subject to a lien for any amount owing to the Company for any carriage, car

ries in respect thereof and to a right of sale by the Company in default of payment of such charges within a reasonable time. The Company shall, subject to the aforesaid lien, be entitled to remove and dispose of the Goods as it may think fit and charge the Supplier with the costs

incurs in respect of such removal and/or disposal if the Supplier does not collect the Goods within such period (not more than 14 days) as may be specified in the rejection notice; and(c)the Supplier shall replace the rejected Goods as soon as possible (not more than 14 days from t

ice of rejection or any extension that the Company may agree) failing which, the Company shall be entitled to obtain replacement Goods from third parties and the Supplier shall make good to the Company any additional costs and expenses in excess of the Contract Price incurred

mpany in obtaining replacement Goods; and(d)the Supplier shall be responsible for any loss, damage and expense the Company may thereby suffer or incur arising out of any delays or adverse affects on the Company’s plans or work in respect of which the rejected Goods were re

## Variation

The Supplier shall not change the Specification or supply of Goods otherwise than in accordance with the Specification unless so agreed by the Company in writing.

The Company shall be entitled to vary the Order including the Specification at any time before the Delivery Date subject to written agreement with the Supplier.

## Property and Risk

Without prejudice to the rights and obligations of the parties under the Contract, specifically unless agreed otherwise between the parties the property and risk in the Goods shall pass to the Company on delivery to the delivery address shown on the Order.

## Payment

The Company shall make payment in respect of an Order by the end of the month following the month in which the Invoice is received. Each invoice shall refer to the Order number to which it relates, failing which the Company shall be entitled to return the Invoice unpai

The Company shall not be obliged to make payment for Goods if those Goods have not been delivered or if the Company has rejected those Goods or if the Invoice is returned unpaid due to the omission of an Order number.

Any sum due from the Supplier to the Company under the Contract or any other contract between the parties may, without prejudice to any other method of recovery, be set off against any payment which is due to the Supplier.

The Supplier shall pay to IME any tax, duty or government charge which becomes payable as a result of any assessment by HM Revenue & Customs in relation to the goods supplied.
